19 In the interest of a prompt and speedy settlement of this matter, consistent with the public
20 interest and the responsibility of the Medical Board of California, the parties hereby agree to the
21 following Stipulated Settlement and Disciplinary Order that will be submitted to the Board for
22 approval and adoption as the final disposition of the Accusation.

23 PARTIES

24 1. Kimberly Kirchmeyer (Complainant) is the Interim Executive Director of the Medical
25 Board of California who brought this action solely in her official capacity. She is represented in
26 this matter by Kamala D. Harris, Attorney General of the State of California, by Margaret J. Phe,
27 Deputy Attorney General.

28 2. Respondent Deena Beth Ross, M.D. (Respondent) is represented in this proceeding

1 by attorney Henry Lewin, of Lewin & Levin, 11377 West Olympic Boulevard, 5th Floor
2 Los Angeles, California 90064-1683

3 3. On or about October 31, 1997, the Board issued Physician's and Surgeon's certificate
4 number G 84236 to Respondent. That license was in full force and effect at all times relevant to
5 the charges brought in Accusation No. 17-2010-209377 and will expire on August 31, 2013,
6 unless renewed.

7 JURISDICTION

8 4. Accusation No. 17-2010-209377 was filed before the Board, and is currently pending
9 against Respondent. The Accusation and all other statutorily required documents were properly
10 served on Respondent on September 19, 2012. Respondent timely filed her Notice of Defense
11 contesting the Accusation.

12 5. A copy of Accusation No. 17-2010-209377 is attached as Exhibit A and is
13 incorporated herein by reference.

14 ADVISEMENT AND WAIVERS

15 6. Respondent has carefully read, fully discussed with counsel, and understands the
16 charges and allegations in Accusation No. 17-2010-209377. Respondent has also carefully read,
17 fully discussed with counsel, and understands the effects of this Stipulated Settlement and
18 Disciplinary Order.

19 7. Respondent is fully aware of her legal rights in this matter, including the right to a
20 hearing on the charges and allegations in the Accusation; the right to be represented by counsel at
21 her own expense; the right to confront and cross-examine the witnesses against her; the right to
22 present evidence and to testify on her own behalf; the right to the issuance of subpoenas to
23 compel the attendance of witnesses and the production of documents; the right to reconsideration
24 and court review of an adverse decision; and all other rights accorded by the California
25 Administrative Procedure Act and other applicable laws.

26 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
27 every right set forth above.

28 ///

1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in Accusation
3 No. 17-2010-209377, if proven at a hearing, constitute cause for imposing discipline upon her
4 Physician's and Surgeon's Certificate.

5 10. For the purpose of resolving the Accusation without the expense and uncertainty of
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual
7 basis for the charges in the Accusation, and that Respondent hereby gives up her right to contest
8 those charges.

9 11. Respondent agrees that her Physician's and Surgeon's Certificate is subject to
10 discipline and she agrees to be bound by the Board's probationary terms as set forth in the
11 Disciplinary Order below.

12 12. Respondent agrees that if she ever petitions for early termination or modification of
13 probation, or if the Board ever petitions for revocation of probation, all of the charges and
14 allegations contained in Accusation No. 17-2010-209377 shall be deemed true, correct and fully
15 admitted by Respondent for purposes of that proceeding or any other licensing proceeding
16 involving Respondent in the State of California.

17 CONTINGENCY

18 13. This stipulation shall be subject to approval by the Board. Respondent understands
19 and agrees that counsel for Complainant and the staff of the Board may communicate directly
20 with the Board regarding this stipulation and settlement, without notice to or participation by
21 Respondent or her counsel. By signing the stipulation, Respondent understands and agrees that
22 she may not withdraw her agreement or seek to rescind the stipulation prior to the time the Board
23 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
24 the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this
25 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
26 be disqualified from further action by having considered this matter.

27 14. The parties understand and agree that facsimile copies of this Stipulated Settlement
28 and Disciplinary Order, including facsimile signatures thereto, shall have the same force and

1 effect as the originals.

2 15. In consideration of the foregoing admissions and stipulations, the parties agree that
3 the Board may, without further notice or formal proceeding, issue and enter the following
4 Disciplinary Order:

5 DISCIPLINARY ORDER

6 **IT IS HEREBY ORDERED THAT** Physician's and Surgeon's Certificate No. G 84236,
7 issued to Respondent Deena Beth Ross, M.D., is revoked. However, the revocation is stayed and
8 Respondent is placed on probation for a period of four (4) years on the following terms and
9 conditions:

11 completely from the personal use or possession of controlled substances as defined in the
12 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
13 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not

22 receive a notification from the Board or its designee to cease immediately the practice of
23 medicine. The Respondent shall not resume the practice of medicine until final decision on an
24 accusation and/or a petition to revoke probation. An accusation and/or petition to revoke
25 probation shall be filed by the Board within 15 days of the notification to cease practice. If the
26 Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board
27 shall provide the Respondent with a hearing within 30 days of the request, unless the Respondent
28 stipulates to a later hearing. A decision shall be received from the Administrative Law Judge or

1 the Board within 15 days unless good cause can be shown for the delay. The cessation of practice
2 shall not apply to the reduction of the probationary time period.

3 If the Board does not file an accusation or petition to revoke probation within 15 days of the
4 issuance of the notification to cease practice or does not provide Respondent with a hearing
5 within 30 days of such a request, the notification of cease practice shall be dissolved.

6 2. EDUCATION COURSE. Within 60 calendar days of the effective date of this
7 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee
8 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours
9 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at
10 correcting any areas of deficient practice or knowledge and shall be Category I certified. The
11 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to
12 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the
13 completion of each course, the Board or its designee may administer an examination to test
14 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65
15 hours of CME of which 40 hours were in satisfaction of this condition.

16 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
17 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
18 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.
19 Respondent shall participate in and successfully complete that program. Respondent shall
20 provide any information and documents that the program may deem pertinent. Respondent shall
21 successfully complete the classroom component of the program not later than six (6) months after
22 Respondent's initial enrollment, and the longitudinal component of the program not later than the
23 time specified by the program, but no later than one (1) year after attending the classroom
24 component. The professionalism program shall be at Respondent's expense and shall be in
25 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

26 A professionalism program taken after the acts that gave rise to the charges in the
27 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
28 or its designee, be accepted towards the fulfillment of this condition if the program would have

1 been approved by the Board or its designee had the program been taken after the effective date of
2 this Decision.

3 Respondent shall submit a certification of successful completion to the Board or its
4 designee not later than 15 calendar days after successfully completing the program or not later
5 than 15 calendar days after the effective date of the Decision, whichever is later.

7 this Decision, and on whatever periodic basis thereafter may be required by the Board or its
8 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological
9 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall
10 consider any information provided by the Board or designee and any other information the
11 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its
12 designee. The Board's psychiatric evaluation conducted prior to the effective date of the
13 Decision shall be accepted towards the fulfillment of this requirement. Respondent shall pay the

16 psychiatrist within 15 calendar days after being notified by the Board or its designee.

17 5. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,
18 Respondent shall submit to the Board or its designee for prior approval the name and
19 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
20 has a doctoral degree in psychology and at least five years of postgraduate experience in the
21 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
22 undergo and continue psychotherapy treatment, including any modifications to the frequency of
23 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

24 The psychotherapist shall consider any information provided by the Board or its designee
25 and any other information the psychotherapist deems relevant and shall furnish a written
26 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
27 psychotherapist any information and documents that the psychotherapist may deem pertinent.

28 Respondent shall have the treating psychotherapist submit quarterly status reports to the

1 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
2 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
3 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
4 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
5 period of probation shall be extended until the Board determines that Respondent is mentally fit
6 to resume the practice of medicine without restrictions.

7 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

8 6. MONITORING - PRACTICE/BILLING. Within 30 calendar days of the effective
9 date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a
10 practice and billing monitor(s), the name and qualifications of one or more licensed physicians
11 and surgeons whose licenses are valid and in good standing, and who are preferably American
12 Board of Medical Specialties (ABMS) certified. A monitor shall have no prior or current
13 business or personal relationship with Respondent, or other relationship that could reasonably be
14 expected to compromise the ability of the monitor to render fair and unbiased reports to the
15 Board, including but not limited to any form of bartering, shall be in Respondent's field of
16 practice, and must agree to serve as Respondent's monitor. Respondent shall pay all monitoring
17 costs.

18 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
19 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
20 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
21 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
22 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
23 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
24 signed statement for approval by the Board or its designee.

25 Within 60 calendar days of the effective date of this Decision, and continuing throughout
26 probation, Respondent's practice and billing shall be monitored by the approved monitor.
27 Respondent shall make all records available for immediate inspection and copying on the
28 premises by the monitor at all times during business hours and shall retain the records for the

1 entire term of probation.

2 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
3 date of this Decision, Respondent shall receive a notification from the Board or its designee to
4 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
5 shall cease the practice of medicine until a monitor is approved to provide monitoring
6 responsibility.

7 The monitor(s) shall submit a quarterly written report to the Board or its designee which
8 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
9 are within the standards of practice of both, and whether Respondent is practicing medicine
10 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
11 that the monitor submits the quarterly written reports to the Board or its designee within 10
12 calendar days after the end of the preceding quarter.

13 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
14 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
15 name and qualifications of a replacement monitor who will be assuming that responsibility within
16 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
17 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
18 notification from the Board or its designee to cease the practice of medicine within three (3)
19 calendar days after being so notified Respondent shall cease the practice of medicine until a
20 replacement monitor is approved and assumes monitoring responsibility.

21 In lieu of a monitor, Respondent may participate in a professional enhancement program
22 equivalent to the one offered by the Physician Assessment and Clinical Education Program at the
23 University of California, San Diego School of Medicine, that includes, at minimum, quarterly
24 chart review, semi-annual practice assessment, and semi-annual review of professional growth
25 and education. Respondent shall participate in the professional enhancement program at
26 Respondent's expense during the term of probation.

27 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
28 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the

1 Chief Executive Officer at every hospital where privileges or membership are extended to
2 Respondent, at any other facility where Respondent engages in the practice of medicine,
3 including all physician and locum tenens registries or other similar agencies, and to the Chief
4 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
5 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
6 calendar days.

7 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

8 8. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent is
9 prohibited from supervising physician assistants.

10 9. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
11 governing the practice of medicine in California and remain in full compliance with any court
12 ordered criminal probation, payments, and other orders.

13 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
14 under penalty of perjury on forms provided by the Board, stating whether there has been
15 compliance with all the conditions of probation.

16 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
17 of the preceding quarter.

18 11. GENERAL PROBATION REQUIREMENTS.

19 Compliance with Probation Unit

20 Respondent shall comply with the Board's probation unit and all terms and conditions of
21 this Decision.

22 Address Changes

23 Respondent shall, at all times, keep the Board informed of Respondent's business and
24 residence addresses, email address (if available), and telephone number. Changes of such
25 addresses shall be immediately communicated in writing to the Board or its designee. Under no
26 circumstances shall a post office box serve as an address of record, except as allowed by Business
27 and Professions Code section 2021(b).

28 Place of Practice

1 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
2 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
3 facility.

4 License Renewal

5 Respondent shall maintain a current and renewed California physician's and surgeon's
6 license.

7 Travel or Residence Outside California

8 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
9 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
10 (30) calendar days.

11 In the event Respondent should leave the State of California to reside or to practice
12 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
13 departure and return.

14 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
15 available in person upon request for interviews either at Respondent's place of business or at the
16 probation unit office, with or without prior notice throughout the term of probation.

17 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
18 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
19 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
20 defined as any period of time Respondent is not practicing medicine in California as defined in
21 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month
22 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All
23 time spent in an intensive training program which has been approved by the Board or its designee
24 shall not be considered non-practice. Practicing medicine in another state of the United States or
25 Federal jurisdiction while on probation with the medical licensing authority of that state or
26 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall
27 not be considered as a period of non-practice.

28 In the event Respondent's period of non-practice while on probation exceeds 18 calendar

1 months, Respondent shall successfully complete a clinical training program that meets the criteria
2 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and
3 Disciplinary Guidelines" prior to resuming the practice of medicine.

4 Respondent's period of non-practice while on probation shall not exceed two (2) years.

5 Periods of non-practice will not apply to the reduction of the probationary term.

6 Periods of non-practice will relieve Respondent of the responsibility to comply with the
7 probationary terms and conditions with the exception of this condition and the following terms
8 and conditions of probation: Obey All Laws; and General Probation Requirements.

9 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
10 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
11 completion of probation. Upon successful completion of probation, Respondent's certificate shall
12 be fully restored.

13 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
14 of probation is a violation of probation. If Respondent violates probation in any respect, the
15 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
16 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
17 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
18 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
19 the matter is final.

20 16. LICENSE SURRENDER. Following the effective date of this Decision, if
21 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
22 the terms and conditions of probation, Respondent may request to surrender his or her license.
23 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
24 determining whether or not to grant the request, or to take any other action deemed appropriate
25 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
26 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
27 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
28 to the terms and conditions of probation. If Respondent re-applies for a medical license, the

1 application shall be treated as a petition for reinstatement of a revoked certificate.

2 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
3 with probation monitoring each and every year of probation, as designated by the Board, which
4 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
5 California and delivered to the Board or its designee no later than January 31 of each calendar
6 year.

10 FIRST CAUSE FOR DISCIPLINE

11 (Conviction of a Crime: Exhibition of Speed in 2011)

12 14. Respondent is subject to disciplinary action under sections 2234, 2236, and 2239 of
13 the Code and section 23109, subdivision (c), of the Vehicle Code, in that she was convicted of a
14 crime substantially related to the qualifications, functions or duties of a physician. The
15 circumstances are as follows:

16 15. On or about October 12, 2011, in the Airport Courthouse of the Los Angeles County
17 Superior Court, in proceedings entitled *The People of the State of California v. Deena Beth Ross*,
18 case number OWA03304, Respondent was convicted of exhibition of speed following a plea of
19 nolo contendere in violation of Vehicle Code section 23109, subdivision (c), a misdemeanor.

20 16. On or about September 7, 2010, at approximately 11:00 p.m., Los Angeles Police
21 Department officers responded to an ambulance call regarding a traffic collision at Cattaraugus
22 Avenue and Castle Heights. Upon arrival to the scene of the incident, Respondent was observed
23 sitting on the driver seat of a Lexus facing north bound in the south bound lane along the west
24 curb of Cattaraugus Avenue just south of Castle Heights. Respondent was talking to the
25 paramedics through the passenger side window, and refused examination. Officer Chandra then
26 asked Respondent to step out of her vehicle. Respondent exited through the passenger side door
27 since the driver's side was against a black Buick Regal that was partially resting on the west
28 sidewalk of Cattaraugus Avenue. Respondent reportedly informed the officer that she was the

1 driver of the vehicle, that she did not know what happened, and that she was driving and trying to
2 make a right turn on Beverly. She denied drinking any alcohol and informed the officer that she
3 was a physician.

4 17. Notably, Respondent was uncooperative. She was observed to have an unsteady gait,
5 and displayed objective symptoms of driving while under the influence, including slurred and
6 rapid speech, impaired coordination, and bloodshot and watery eyes. She admitted that she
7 ingested Soma,² Ritalin³ and Cymbalta⁴ earlier in the day. Respondent complied with the request
8 to perform standardized field sobriety tests. However, she failed to perform them as explained
9 and demonstrated. Consequently, Officer Chandra formed the opinion that Respondent was
10 under the influence of an intoxicant and unable to safely operate a motor vehicle. Thereafter,
11 Respondent was arrested for driving while under the influence in violation of Vehicle Code
12 section 23152, subdivision (a), and she was transported to the West Los Angeles station for
13 chemical testing. Following the chemical admonition, Respondent provided a breath sample,
14 which yielded results of 0.00% and 0.00%. A drug influence evaluation was also conducted on
15 Respondent. Officer Newman formed the opinion that Respondent was under the influence of a
16 combined central nervous system (CNS) depressant and CNS stimulant. After the drug
17 admonition was read to Respondent, she at first indicated she would provide a urine sample but

18 _____
19 ² Soma is a muscle relaxer that works by blocking pain sensations between the nerves and
20 the brain. It is used together with rest and physical therapy to treat injuries and other painful
21 musculoskeletal conditions.

22 ³ Ritalin (methylphenidate) is a central nervous system stimulant. It affects chemicals in
23 the brain and nerves that contribute to hyperactivity and impulse control. Ritalin is used to treat
24 attention deficit disorder (ADD) and attention deficit hyperactivity disorder (ADHD). Ritalin is
25 also used in the treatment of a sleep disorder called narcolepsy (an uncontrollable desire to sleep).
26 When given for attention deficit disorders, Ritalin should be an integral part of a total treatment
27 program that may include counseling or other therapies.

28 ⁴ Cymbalta (duloxetine) is an antidepressant in a group of drugs called selective serotonin
and norepinephrine reuptake inhibitors (SSNRIs). Cymbalta affects chemicals in the brain that
may become unbalanced and cause depression. Cymbalta is used to treat major depressive
disorder and general anxiety disorder. Cymbalta is also used to treat a chronic pain disorder
called fibromyalgia, treat pain caused by nerve damage in people with diabetes (diabetic
neuropathy) and to treat chronic musculoskeletal pain, including discomfort from osteoarthritis
and chronic lower back pain.

1 later decided not to. Subsequently, she was transported to Van Nuys Jail, where she refused
2 medical treatment and refused to provide a urine sample.

3 18. On or about November 8, 2010, a misdemeanor criminal complaint was filed in *The*
4 *People of the State of California v. Deena Beth Ross*, in the Airport Courthouse of the Los
5 Angeles County Superior Court, charging Respondent with one count of driving under the
6 influence of alcohol or drugs in violation of Vehicle Code section 23152, subdivision (a).

7 19. On or about October 12, 2011, the case was called for a jury trial. The Complaint
8 was amended by interlineation to add a count two exhibition of speed violation under Vehicle
9 Code section 23109, subdivision (c). Respondent was then convicted of Count Two following a
10 plea of nolo contendere. Count One was dismissed due to plea negotiation. As to Count Two, the
11 court suspended the imposition of sentence and placed Respondent on summary probation for two
12 years. Respondent was also ordered to: (1) pay fines, assessments and fees totaling \$925 or serve
13 8 days in Los Angeles County Jail; (2) not drive a motor vehicle with any measurable or
14 detectable amount of alcohol or intoxicating drug; (3) not drive a motor vehicle without a valid
15 driver's license in possession or without liability insurance; and (4) obey all laws and orders of
16 the court.

17 20. On or about January 20, 2012, the Los Angeles City Attorney's office filed a request
18 for revocation of probation, notice of probation violation hearing, and declaration in support
19 thereof.

20 21. On or about January 24, 2012, the case was called for hearing for possible violation
21 of probation. Respondent's probation was revoked.

22 22. On or about June 26, 2012, the case was called for probation violation hearing, and
23 Respondent's probation remained revoked.

24 SECOND CAUSE FOR DISCIPLINE

25 (Conviction of a Crime: Petty Theft in 2010)

4 contendere in violation of Penal Code section 666, a misdemeanor.

5 25. On or about August 19, 2010, at approximately 6:50 p.m., Los Angeles Police
6 Department officers responded to a radio call at Gelson's Supermarket at Santa Monica
7 Boulevard in Los Angeles. Upon arrival, the officers were met by a plain clothes loss prevention
8 agent for Gelson's. The loss prevention agent reportedly observed Respondent take multiple bags
9 of candy from the store shelves, conceal them, place them into her purse, and exit the store
10 without paying for the merchandise. Respondent was then transported to the West Los Angeles
11 Station. A prior criminal history check revealed a previous arrest and conviction of petty theft in
12 violation of Penal Code section 484, subdivision (a). Subsequently, Respondent was arrested and
13 booked for petty theft with a prior in violation of Penal Code section 666.

14 26. On or about September 9, 2010, a felony criminal complaint was filed in *The People*
15 *of the State of California v. Deena Ross*, case number SA075321, charging Respondent with one

19 27. On or about November 12, 2010, the case was called for a preliminary hearing
20 setting. On the People's motion, the Court ordered the Complaint deemed amended to allege
21 Count One as a misdemeanor pursuant to Penal Code section 17, subdivision (b). Respondent
22 was convicted of petty theft following a plea of nolo contendere. The court suspended the
23 imposition of sentence, placed Respondent on summary probation for three years, and ordered

25 assessment and restitution fees totaling \$170; (2) perform 240 hours of community service; (3)
26 not own, use or possess any dangerous or deadly weapons, including any firearms, knives or other
